# INTRODUCTION

The Bachelor of Arts (B.A.) in the online distance mode is one of the most sought-after bachelor's degree programmes after the 10+2 / Senior Secondary / Intermediate Examination. The Bachelor of Arts is a comprehensive programme that focuses on the holistic development of students through liberal education. The B.A. has been launched to provide fundamental knowledge for producing competent professionals by incorporating capacity-building components into the mainstream programme. The B.A. is one of the most popular degrees in India and abroad. This is the basic educational degree programme, which is a mandatory qualification to appear in different graduate-level competitive examinations like civil services and the banking sector, along with other national-level examinations.

The B.A. (Online Distance Learning) includes the following: Subjects: English, History, Sociology, Political Science, and Economics. It allows the candidates to enter into diverse academic and professional fields as well as higher education. Our ICT-mediated teaching and learning practices ensure parity in terms of academic rigour and quality of instruction with the expert-curated curriculum offered by the university.

## MISSION:

- ❖ To acquire a basic understanding of the course of study with its insight, essence and application in real-life situations.
- ❖ To learn and use effective communication skills and strategies through oral, written and digital presentations.
- ❖ To develop critical thinking on issues related to courses of study based on the contents of study in the subject.

# OBJECTIVES

The main objective of the B.A. (Online Distance Learning) at MU is to provide a course of study by which students study and experience the basic concepts, thoughts, principles, and theories of respective disciplines, including an in-depth investigation into the respective course of study, structure, and phenomena, inculcating core values of liberal education in students. Encouraging them to develop insight with a strong foundation in the arts and humanities to understand social, cultural, and literary perspectives for academic and professional growth.

# INSTRUCTIONAL DESIGN

The programme is segmented into six semesters, and the minimum credit requirement is 120 to get an ODL BA degree from Mangalayatan University. The minimum time period to complete the BA degree programme will be three years, and the maximum time period (extended) is four years to pursue the ODL BA degree.
